Gödöllő

Gödöllő is a town situated in Pest county 30 km Northeast of Budapest. It lies on the banks of Rákos stream, in the valley of Gödöllő downs. It has direct access to M3 motorway and the brand new M31 relief road. Thanks to these both Liszt Ferenc Airport and the capital are only a 25 minutes drive from Gödöllő.

A suburban train makes it possible for the visitor to reach Gödöllő from Budapest in less than 45 minutes.

Welcome

The Erzsébet Királyné (Queen Sisi) Hotel was opened in March 2008, in the beautifully reconstructed secession-style former town hall. We welcome our guests with 62 comfortable air-conditioned rooms (that can accommodate up to 130 people), quality service, a stylish restaurant, a unique ballroom and a professional and mindful staff. We are located in the heart of Gödöllő, Hungary, a town that was a very important and much beloved place in Queen Sisi's life. Our hotel is on the main square of Gödöllő, just a few steps from the Royal Palace and only 25 minutes from downtown Budapest.
